

# The surfing.

The origin surfing is Hawaii, nobody knows exactly when it began, the surfing expanded to Australia. It consists of slipping on the waves on the table as if you were the alone one and to be able to feel different sensations, also it he has his her difficulties like to stick blows or to be fallen. Thanks to Duke, the surfing started become an acquaintance by the world, as the year 1.914.

And it he has been evolving throughout the years. In these moments Kelly Slater he has been proclaimed a champion of the world of the professional surf by the seventh time and there goes way of eating up all the record of the professional surfing, apart it was the young surfer mas in gaining a test of the championship of surfing ASP. To manage to be one surfer of competetion is better to begin from childrens, with six or seven years. Eleven better places for to surf is: Hawaii, Peru, Australia, Chile, Nicaragua, Mexico, Costa Rica, Brazil, California, Vanuatu and Mundaka where celebrates the championship of the world. Duke is the ambassador of the surfing all over the world. Since to say: the surfing is not alone a sport is the kings.
